"If you ask any monster truck driver who has competed in the Toughest Monster Truck Tour, they will tell you that indeed, the Toughest Monster Truck Tour has the most difficult tracks of all the tours, which is why it is called the *Toughest* Monster Truck Tour," said Kelly Goldman of the Toughest Monster Truck Tour. "Our tracks always include dirt tracks and old-school crush cars buried in the dirt to create unique obstacles for the trucks to navigate during all aspects of competition. Because of the high level of difficulty, only the best monster truck and drivers are invited to participate."

"We are very excited to have the Toughest Monster Truck Tour back again this year!", said Sheila Anderson, Marketing Manager for Spectra Venue Management at the Findlay Toyota Center. "Both performances last January were sold out and everyone loved the unpredictable, high flying monster trucks."

The free pit passes that are included with tickets purchased July 23-August 18 will get fans in early to walk on the track, see the trucks up close, take photos and get driver autographs. The Pit Party

was a huge hit last time for kids and adults alike. You won't want to miss it!
